Awards Program

2016 Annual Convention

PHI THETA KAPPA
Honor Society
Phi Theta Kappa’s first awards were presented for individual prose and poetry entries. The earliest chapter awards included:

- **Tri-Forum Award** — for an outstanding project on the Phi Theta Kappa Honors Theme, forerunner of the Honors Study Topic
- **Mosal Cup** — for the best yearbook entry
- **Gamma Sigma Travel Award** — recognizing the chapter who traveled the greatest distance to the Annual Convention
- **Outstanding Male and Female Sponsor Awards** (sponsors are now known as advisors)

By the mid-1970s, awards were also presented to the top 10 chapters and advisors, and to the most distinguished member, advisor, alumni advisor, college president and alumnus. Many awards were presented by friends of Phi Theta Kappa, by advisors and by chapters to recognize specific achievements. Additional creative awards were presented to entries in the categories of art and music.

In 1988 the first Awards Task Force was appointed and charged to bring equity and specificity to award offerings. From this Task Force came the Five Star Chapter Plan and Hallmark Awards Program.

The Five Star Chapter Plan was established to provide a step-by-step guide for building a strong chapter and an understanding of the level of programming needed to be competitive against other chapters. Chapters are recognized for Five Star accomplishments but do not compete against other chapters for recognition.

The Hallmark Awards introduced the first recognitions based on the Society’s Hallmarks of Scholarship, Leadership, Service and Fellowship, incorporating the mission of the organization. The first standardized awards application process was established, criteria drawn, and categories developed. As a result, more chapters had opportunity for recognition of chapter programming achievement and more members, chapter officers, and advisors had increased opportunities for individual recognition.

Chapter rankings in the Hallmark Awards are also provided to regions for use in their awards programs.

Rubrics for Hallmark Awards were introduced in 2005, following extensive study by a second task force, and increased the parity of the competition by establishing specific criteria for scoring award applications. As of 2011, the Hallmark Award applications have migrated to an entirely online process, which resulted in an increase in participation.

A total of 1,952 entries were received in the 2016 Hallmark Awards competition. The award recipients, in the chapter, region and individual categories, reflect a wide geographic and demographic diversity that mirrors the Society overall.

Distinguished Chapter Awards
To be considered for a Distinguished Chapter Award, a chapter must submit entries for both the Honors in Action Project and College Project Award. Selection of the Distinguished Chapters is based solely on the written entries for these Hallmark Awards. The scores in each of the two Hallmark categories will be averaged to determine a chapter’s overall ranking. Awards are presented to the top 10 percent of chapters entering the Honors in Action and College Project categories.

**NOTE:** The above table lists the chapters and colleges associated with the Distinguished College Project Awards. The purpose of these awards is to recognize the exceptional support and collaboration between the chapter and the college administration. Each chapter is encouraged to develop a College Project that aligns with the college’s mission and goals. This collaboration can lead to a variety of benefits for both the chapter and the college, including increased visibility, enhanced reputation, and improved relationships with the college administration.

Alliance for Educational Excellence Award

The Alliance for Educational Excellence Award is presented to an organization, association or foundation for distinguished contribution to further excellence in education on a national or international level. This award is presented only in those years when the contribution to excellence meets the highest of standards and yields substantial impact.

National Scholarship Providers Association

The National Scholarship Providers Association has worked diligently to advance the collective impact of scholarship providers and the scholarships they deliver by providing best practices and professional development for member organizations. In addition, NSPA has demonstrated a strong commitment to supporting community college scholarship providers, including Phi Theta Kappa.

With 350 member organizations, NSPA has worked to develop standards for scholarship administration, conduct research to better understand the scholarship industry, create professional resources, encourage the development of scholarship programs, and advocate changes in policy to help students maximize all sources of financial aid available to them.
Board of Directors Alumni Achievement Award

The Board of Directors Alumni Achievement Award recognizes Society alumni who continue to support the mission Phi Theta Kappa on chapter, regional and international levels long after their community college experience ends.

Jack Bryant

Jack Bryant was inducted into the Mu Chi Chapter of Phi Theta Kappa at Connors State College on December 7, 1977, where he was an active member. From 1990-1994, he served as an advisor to the award-winning Alpha Beta Upsilon Chapter of Phi Theta Kappa at Redlands Community College. Now in the role of college president, he continues to be a passionate advocate for Phi Theta Kappa.

“Jack makes Phi Theta Kappa a priority at the college, which means that he supports Phi Theta Kappa with his time, his talent and his treasure,” said former chapter advisor and Oklahoma/Arkansas Regional Coordinator Emeritus Jim Mauldin. “He attends all inductions and is always the speaker at officer installations. He often attends the chapter’s annual cookout and the all-day officer training for local chapters.”

Bryant provides direct support to the chapter advisor team and to chapter members, making it possible for students to be engaged in and benefit from all that Phi Theta Kappa has to offer, Mauldin explained.

In addition to providing his time, Bryant provides the chapter with financial support, which he says will continue as long as Phi Theta Kappa continues to thrive on the campus.

“President Bryant embodies the heart, hands, and head of a true leader,” said chapter advisor Julie Flegal-Smallwood. “Redlands and the Alpha Beta Upsilon Chapter are fortunate to have him as our chief administrator.”

Bryant was recently named to the Phi Theta Kappa’s Presidential Advisory Board, where he is serving as an ambassador by working with Society leaders to make connections with other college leaders to increase transfer scholarship opportunities for Phi Theta Kappa members in the state of Oklahoma.

“I could not be happier with the Board of Directors’ choice for this award,” said Phi Theta Kappa President and CEO Dr. Lynn Tincher-Ladner. “Jack is an active member of our Presidential Advisory Board, and at the same time, a student’s voice among presidents when it comes to benefits for our members and the direction of our Society.”
